DINING AND ENTERTAINMENT, FROM LUXURIOUS TO CASUAL.

The light and airy skylounge is a wonderful place for gatherings. It is divided into three semiprivate areas with couches and chairs, game table, full entertainment center with 62-inch TV/DVD/CD/stereo, iPod docking station and iPad. Guests can also enjoy shaded alfresco dining just outside on the aft deck. More formal meals are enjoyed in the dining room on the main deck. AMPLE OPPORTUNITIES FOR
ALFRESCO FUN AND DINING.**

RHINO'S versatile sun deck features a state-of-the-art "pop-top", which rotates open to reveal a circular staircase that grants guests access to all decks below. At its center is a double U-shaped bar finished in teak that seats 12. Aft of the bar is a six-person Jacuzzi surrounded by a large sun pad. Further aft are two semi-circular seating areas with tables flanking a gas barbecue grill. For those seeking shade, electric awnings can be extended from either side of the arch over the bar. Five triangular sun shades can also be positioned over the Jacuzzi and aft seating areas.
